THURSDAY, NOVEMBER 14TH - 7:30 PM
FREE WILL DONATION!

STUDEN OF THE
MONTH

Congratulations

Collin Martz, son of Warren and Denise Martz has been selected as our student of the month for October. Collin displays a consistent positive attitude and is a wonderful role model for younger students. He holds officer positions in school activities, is involved with FBLA, Dollars for Scholars, and Athletics including coaching and officiating. Collin is also active in the community and with his church.

In October the Pre-Kindergarten class had guests in the classroom. Sheriff Laurie and Ambulance Eric talked to our class about:

- 911 when to call
- When you see an ambulance with its lights on, what should you do?
- Fingerprinting of each student with an ID card given to each family

Home Economist, Karen Bettenhausen, talked to our class about:

- Washing our hands – When? How? And Why?
- Germs
- Looking at the fake germs on our hands using a black light

What is your favorite thing to do in kindergarten? The answer was RECESS. Recess is an important part of kindergarten because they learn to play together, solve problems and communicate with others.

We have been working on reading words and books. It is awesome what good spellers they are!

We are counting objects, reading graphs, and writing numbers. They do partner games in math and enjoy seeing who they get partnered with each day.

We have loved the nice weather but some of us are looking forward to snow.

We are working really hard on using manners and being respectful. Earlier this month, the students filled the “Manners Jar” half way and earned the treat of donuts from Ms. Haupt. They just completely filled the jar and their reward is being able to watch the movie “Inside Out”, which fit in nicely with our character counts and color zones. We use chameleons in First Grade to help us stay green. We have been on the green way more now – so that is super! This helps us focus on appropriate school things – like learning! It is wonderful when parents and community help reinforce manners and all our character counts traits (Respect, Fair, Responsible, Trustworthiness, Caring & Citizenship)

Ms. Kelsi Haupt is wrapping up her student teaching in First Grade. She has done a fantastic job. She will be also student teaching in Kindergarten for 5 weeks and then will have fulfilled the requirements and will graduate with a Bachelor’s Degree in Early Childhood Education.

1st Grade

Some of our favorites in First Grade so far have been:

Ava – Art, making bats with the ombre moon, scarecrows and spider webs with Ms. Haupt

Justice – Math, learning about numbers, writing, painting and coloring

Brooklyn – Free choice, doing fun deals in Math, building skies with bats, spider webs, scarecrows and learning new things

Aiden – Drawing and being happy

Tammy – Handwriting fun, writing sentences, recess, and Math

Jay – Social Studies books are cool, doing patterns in Math, coloring

Calli – Art, making bats, scarecrows, spider webs, leaves and doing the fun handwriting theme sheets

Tristan – Mrs. Dockter teaching me, free choice, manners jar, Math-doing doubles facts, plus one facts, doing patterns, using the balance scale, coloring trains, and Ms. Haupt teaching me

Mason – recess, lunch, snack, P.E., coming to school, Math-writing stuff with it, and using all the Math stuff like balance scale, cubes, blocks, money

Mrs. Dockter – Having Ms. Kelsi Haupt in our classroom and watching her grow into a fabulous teacher! We wish her well in all her future endeavors. Her future students will be fortunate to have her!

2nd Grade ROCKS

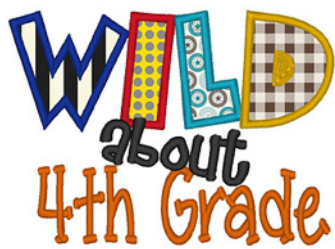

The 2nd graders are officially ready to start cursive writing! They are very excited and so is Mrs. Engelhart. It's been a phenomenal year with all "my kids!" We recently made Hedgehog's yellow cake. It went along with our reading story. Hedgehog and his friends, Rabbit, Squirrel and Owl tried to help Hedgehog bake a yellow cake, but they didn't follow the recipe. Hedgehog decided to make the cake alone, and then his friends came over and enjoyed warm yellow cake and milk. The 2nd graders enjoyed Hedgehog's yellow cake and milk, too! They also followed the recipe just like Hedgehog did! Here is a picture where they are enjoying Hedgehog's yellow cake with their milk.

3rd GRADE

October has been a busy month for the third graders! I asked the third graders to share one activity they each have enjoyed this month in our classroom. Brendan has really enjoyed learning math using a game called Prodigy! Haley has enjoyed learning more about handwriting and writing in cursive! Jaden has enjoyed learning multiplication during math. Bryan likes math meeting every morning! Megan enjoyed reading the books Freckle Juice and Frindle. If you don't know what a frindle is, I'm sure the third graders will let you know. Lydia has enjoyed learning more about producers and consumers in science, while playing a fun producer-consumer game! I have enjoyed listening to the third graders sing "SLANT" every morning. We are learning what it takes to be an active learner! If any of you want to know more about SLANT, just ask a third grader!

HAIKU HAPPENINGS!

The 4th graders really got into the Japanese poetry of Haiku. Haiku is a poem, usually three lines long, where the first and third line are three syllables and the second is seven syllables. Nature is usually the theme, but we also had some fun with Halloween Haikus. We wanted to share our first poems with you!

DOGS

By Else Mosbrucker

Dogs are so helpful.
On a farm they help with chores.
Alex is so nice

THE OCEAN

By Kitana Martel

The ocean flows free.
Fish are always swimming in.
So mysterious.

RIVERS

By Sara Pfeifle

Raging rivers run
Through the beautiful canyons
In the gleaming sun.

LEAVES

By Cutler Schaunaman

I love orange leaves.
I love orange leaves so much.
Orange leaves are cool.

RIVERS

By Parker Zimmerman

The river is loud.
It is very beautiful,
And it is pretty.

RIVERS

By Ethan Lear

Rivers help nature.
They also help animals.
Water helps people.

THE PUPPY

By Vada Hoffman

The puppy is cute.
My puppy's name is Ashton.
He is very shy.

THE WOODS

By Tripp Wolff

Listen carefully
To the breeze in the pine
trees
And those buzzing bees.

MOUNTAINS

By Cole Nitschke

As high as a cloud,
Reaching out to touch the sky,
A beautiful sight.

THE FOX

By Alyvia Henslee

When the sun goes down,
The fox comes out of hiding
And hunts all night long.

OCEAN

By Bethany Gojkovich

The ocean's waves go
By so fast you have no time
To see them wave hi.

THE WATER CYCLE

By Avery Brokaw

The water falls and
It evaporates and goes
Up into the sky.

Thank you to the many who volunteer at the concession stand! It is much appreciated! Volunteers are always needed and if you'd like to help out, please call the school office at 288-3456!

FUTURE BUSINESS LEADERS OF AMERICA

The FBLA officer team and advisor attended the Fall Leadership Conference in Bismarck October 1st -2nd. The Keynote speaker this year was Devin Henderson. Devin spoke about succeeding and to “fail, fail again”, sharing your own magic and entertained the students with mind magic. Over 450 members and advisors were in attendance at the conference. Our officer team also set goals and brainstormed ideas for our local chapter. We were updated on the professional dress code, state events and how to elevate our chapter. The officers were also able to pick out some of the prizes we will be using for this year’s Santa Day!

Thirteen FBLA members teamed up with our local Lions Club to help clean ditches on October 11th. We all appreciate everything the Lions do for our chapter, school and community!

Mark Your Calendars! Santa Day will be held Saturday, November 25th in the school gym from 1:00 – 3:00 pm. We hope to see many of you there!

November 1st: Officer Planning Meeting and Professional Dress day

November 3rd: November Meeting

November 7th: Crafts at Nursing Home

**November 20th: Pizza Corner Fundraiser
Delivery date**

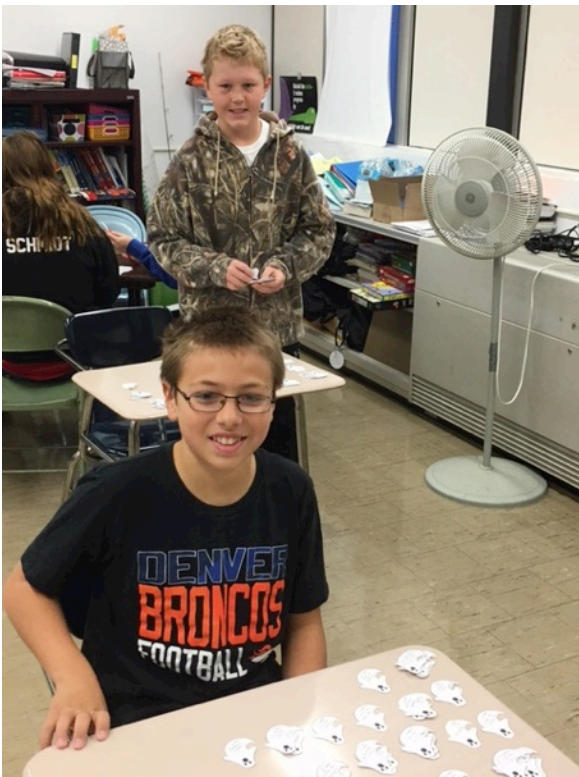

**November 22nd: Decorating for Santa Day –
after school**

**November 25th: Santa Day – High School
Gym – 1:00 – 3:00 pm**

The sophomore class was lucky to have Michelle Kempf come in and present on the topic of Credit to help kick off “Get Smart about Credit Day”! Michelle answered many questions and gave valuable information to the students and teacher. Thank you McIntosh County Bank and Michelle for offering to come in and educate us all on such an important topic.

Ms. Sathre

Once again, Ashley School is taking part in the Box Top program. Please save your box tops from participating products, and send them to school with your children or grandchildren. Please make sure to check the expirations on the box tops as the ones that are expired are un-redeemable. Thank you so very much!!
