A RAINBOW TEACHER

*A good teacher is a brilliant light,
illuminating the prism of life,
revealing to students
a rainbow of possibilities!*

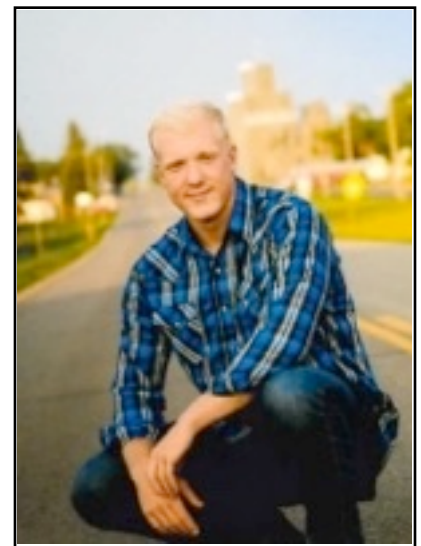

Deb Jenner's teaching career started in 1972, and finished on May 17, 2019. Throughout those years she was a full time teacher, and then subbed for long term maternity and sick leave teachers in Ashley, Wishek, and Zeeland. In 2002, Deb started teaching Title Math and Reading at Ashley Public School.

Deb has had an impact on all her students, and made lifelong friends with her fellow teachers.

From all of us at Ashley Public School, we wish you the best and hope that you will now be able to enjoy "a rainbow of possibilities"!!!!

Student of the Year

Riley Molter, son of Clarence and Lisa Gilstad, and Terry Molter, has been selected as the Student of the Year. Riley has shown tremendous growth as a student throughout his four years at Ashley High School. He has a strong work ethic, willing to help his classmates, he leads by example, consistent time management skills, and took on an important leadership role in the newly formed FFA chapter. Riley is dedicated to family, academics, athletics, and strives for excellence in all his endeavors. Congratulations Riley!
